

Addendum to SY 2020-2021 Safe Return to Learning Memorandum of Agreement

Lunch Duty

- Stipended positions for lunch monitors in the K-8 schools shall be posted internally for Unit A and C members to apply for.
- Any unit members assigned to accompany any student(s) to lunch who are in a sub-separate class assignment may not receive a stipend for that lunch period, but may apply for a lunch monitor position during their own lunch period.
- The stipended lunch monitor positions will be in place for the remainder of SY 20-21.
- Stipends for lunch monitors will be paid by June 30, 2021.

Staff Dismissal

- Unit A and C members assigned to grades PreK-12 will dismiss 10 minutes after student dismissal.
- If dismissing 10 minutes after student dismissal causes an undue hardship to any Unit A or C member, they have the right to bring the issue of undue hardship forward to their building administration and will be given consideration to leave at student dismissal time.
- The staff dismissal times and parameters outlined above are in place only for the remainder of SY 20-21.
